

# GAMEZONE

Stuttgart Media University's Institute of Games will once again be providing games and equipment for the GameZone and presenting selected games for mobile devices, PCs and virtual reality. Find out what happened to Elena, leap over insurmountable obstacles, try your luck as a farmer, save the kittens or organise a demonstration. With the VR glasses, you can experience a virtual paragliding flight, walk on the moon or play one of the first multiplayer VR games. Come and play along!

## Projects of Stuttgart Media University (HdM)

### **VRun**

VR-Game

Nadin-Katrin Apel, Patrick Dinkelacker, Kevin Lemmer, Malte Lohrer, Willi Minet, Darius Patzner, Manuel Schulze

### **Save the Kittens**
